V Primary Stakeholders in target sites	W Secondary Stakeholders	X National Target Institutes	Y International Target Institutes	Z Primary Stakeholders in non-project sites
<p>Outputs</p> <p>Awareness and understanding of NRM have increased in project sites: In 2001.</p> <ul style="list-style-type: none"> Understanding of soil fertility management in Ugandan hillsides improved. (R7517). <p>From 2002 onwards.</p> <ul style="list-style-type: none"> Increased understanding of the role of social capital and interrelationships of gender in livelihood strategies. (R7856). <p>In 2003.</p> <ul style="list-style-type: none"> <u>Action plans</u> for four target communities (in SW Uganda) developed, and ways of strengthening social capital for NRM management identified. (R7856). <p>In 2001.</p> <ul style="list-style-type: none"> Sources of nutrients by fallow species evaluated. (R7056). 	<p>Awareness and understanding of NRM have increased in target districts: In 2002.</p> <ul style="list-style-type: none"> Local ownership of research process (by NARO and extension staff) established. (R7517). <p>In 2002.</p> <ul style="list-style-type: none"> A <u>package of tools and approaches</u> for assessing soil fertility status promoted. (R7517). <p>In 2002</p> <ul style="list-style-type: none"> <u>Posters and other materials</u> for training local professionals in SFM produced. (R7517). <p>In 2003.</p> <ul style="list-style-type: none"> Sub-county council discussed NRM byelaws suggested by villages and expressed willingness to upscale beyond pilot communities. (R7856). <p>In 2000/01.</p> <ul style="list-style-type: none"> Demonstrated that improved fallows are technically a means to improve productivity in W Kenya. (R7056). 	<p>Awareness and understanding of NRM have increased at the national level: In 2003.</p> <ul style="list-style-type: none"> Lessons being learnt on credit policy formulation in Kenya. (R7962). <p>In 2005</p> <ul style="list-style-type: none"> Strategic partnerships developed (R8400) Range of revised communication products mass produced and disseminated in Western Kenya and Uganda (and elsewhere), including: <u>posters, brochures, manuals, and two handbooks</u> (R8400) 	<p>Awareness of NRM has increased at the international level: In 2001.</p> <ul style="list-style-type: none"> <u>Handbook 'Guidelines for the Field Assessment of Land Degradation'</u>. (PD097). <p>In 2003.</p> <ul style="list-style-type: none"> <u>Suite of papers</u> on community based planning. (R7856). <p>In 2000.</p> <ul style="list-style-type: none"> <u>Conference papers</u> on role of mixed species fallows. (R7056)
