Outcomes

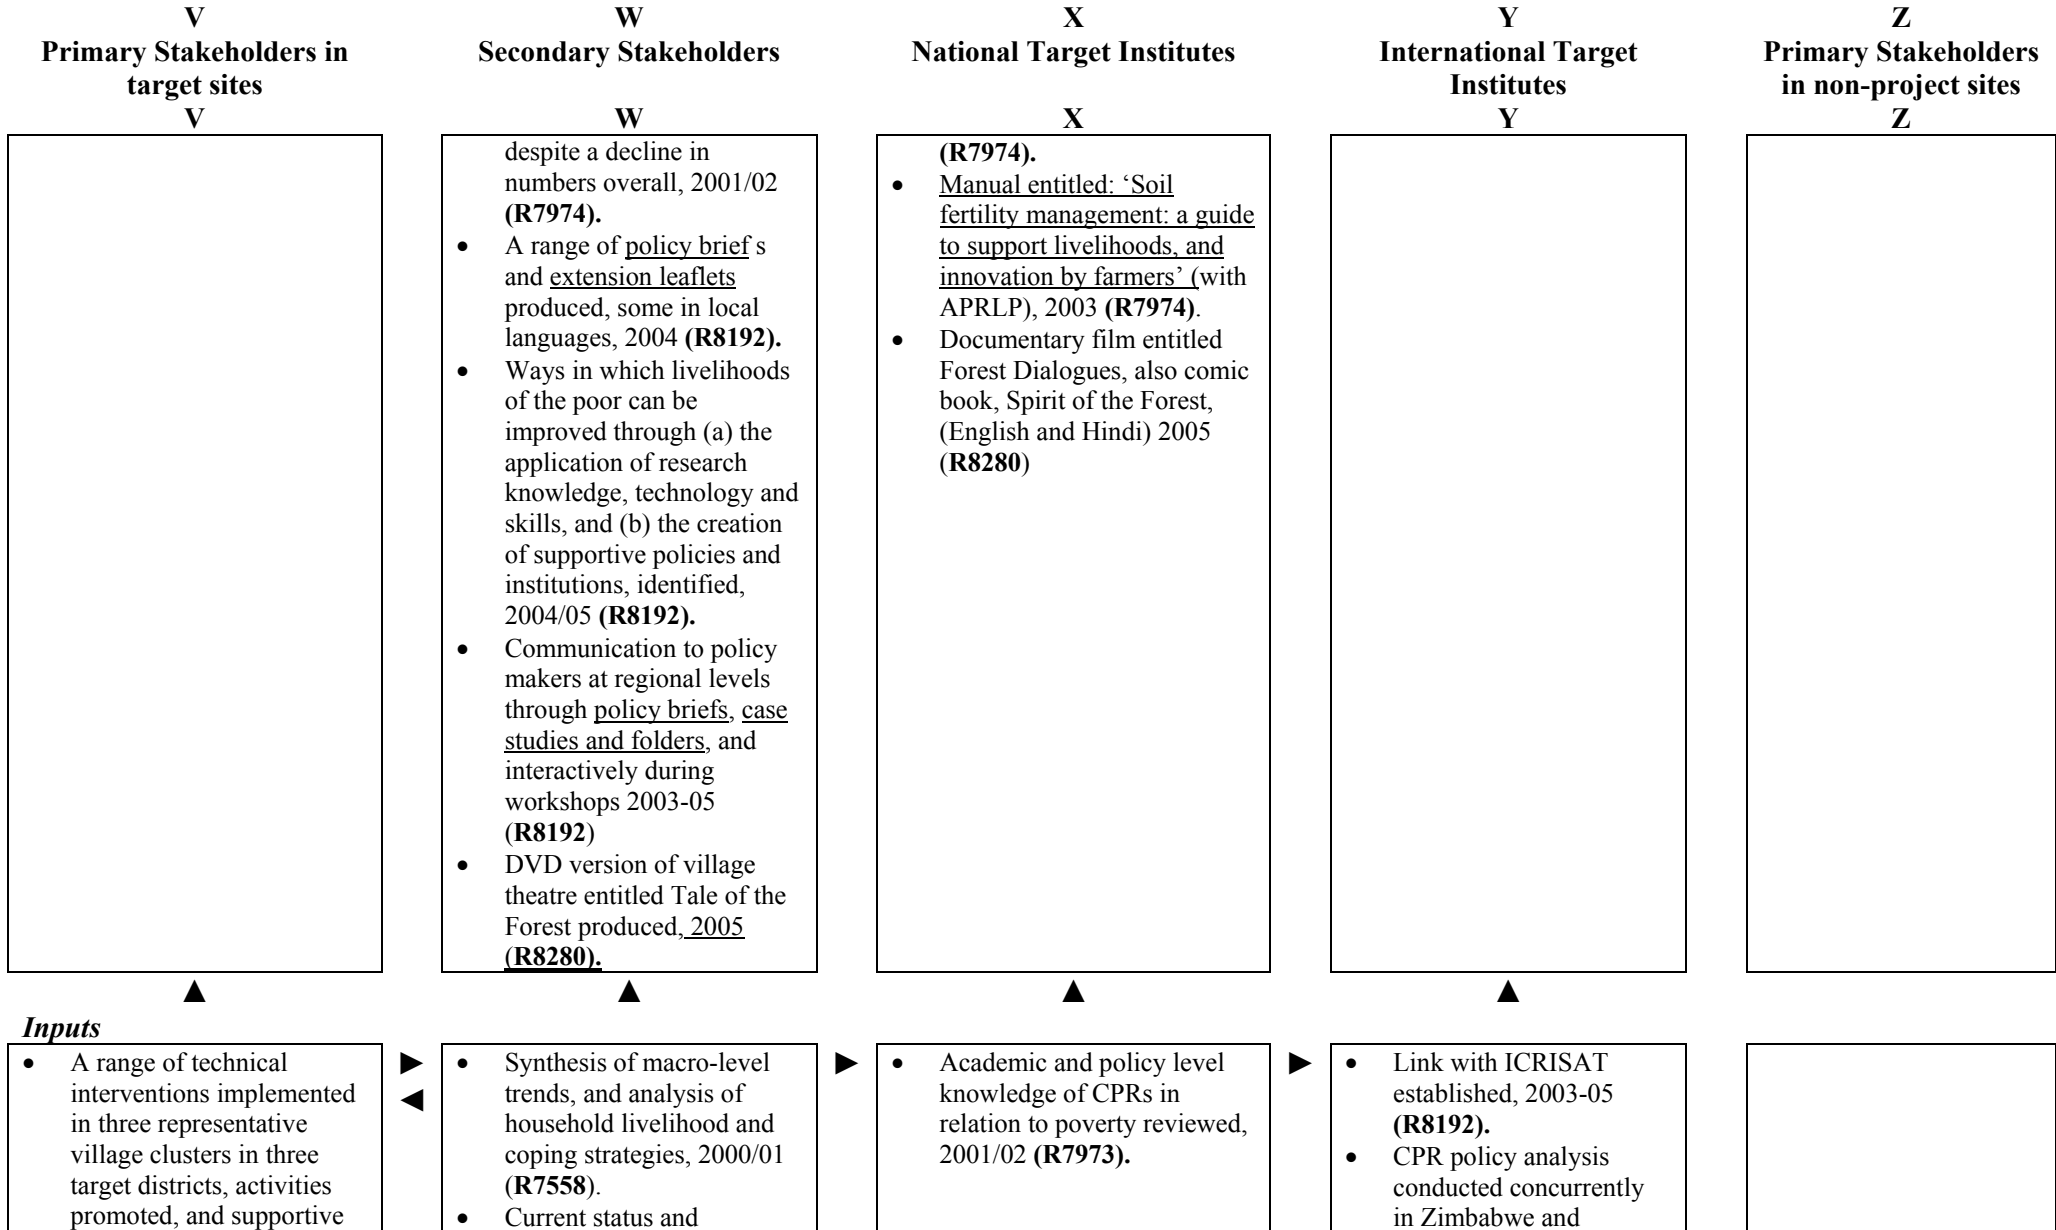

<ul style="list-style-type: none"> Improved dialogue between key stakeholders and policy actors over participatory forest management strategies achieved at local Harda district (in part) level (also at state and national levels) 2003-05 (R8280). 	<ul style="list-style-type: none"> Effective links established with DFID supported Andhra Pradesh Rural Livelihoods Project (APRLP); also some take up of findings by APRLP, from 2001 onwards (R7974, R8192). Project implementation led research scientists to realise the multiple dimensions of rural and NR based livelihoods and of factors that determine intervention uptake. The project approach is being incorporated within the continuing work of the partner NGO 2005 (R8192) 	<ul style="list-style-type: none"> Enhanced research capacity of Indian partners, from 2001 onwards (R7558, R8192, R8280). Effective links established with and between Indian collaborators, from 2000 onwards (R7558, R7877, R7973, R7974, R8192, R8280). Mutually supportive working relationships established between research organisations and development agencies (NGOs), 2000 onwards (R7558, R7877, R7974, R8192, R8280). Partner organisations were also stakeholders and potential target institutions for the uptake activity. Project methods and insights also being used by partners in ongoing NRM work. <i>Project monograph planned 2005 (R8280)</i> Learnings have influenced the planning of the proposed
